

Will you come to India?

January 16-31, 2012

“You will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth.” Jesus phrased his Great Commission to his followers this way just before he left (Acts 1:8).

India may not be at the end of the earth, but it is really close to it. White Fields has associates who have traveled by boat, train, car and foot to nearly the end... and there they have offered the water of life to parched and thirsty souls!

Please consider joining us this January as we return to southern India to work with our partners – native Christians in the states of Tamil Nadu and Andhra Pradesh. The Lord is doing wonderful things in India, things that are opening the doors of many hearts. That is resulting in great spiritual harvest! 3,732 were buried with Christ in baptism during our last venture – January 2011.

Because of the recent economic boom that India has experienced, the fabric of society is stretching. Modern life is tugging on the shape of centuries of tradition. Last January, I saw in fields virtually next to one another tractors and oxen plowing; equally, custom combining and harvesting “the old fashioned way” – by hand. *I saw a man driving an ox cart, wearing a turban, talking on a cell phone.* There is a real estate boom, with housing developments plotted out on the outskirts of cities.

All of this life change is opening the Indian people (overwhelmingly Hindu) to the concept of spiritual change. They are at least willing to entertain the thought. **In my opinion, the next 3 to 5 years are pivotal.** During that time, I believe that the door for evangelism is swinging wide open in Southern India. I hope also that we can use this opportunity to build networks that can reach farther north. Eventually, material things will jade the heart of the people and they won’t be as open to the gospel (quite like the U.S.A.).

I invite you to be part of a great harvest crew, traveling to India to work with native evangelists presenting the gospel of our glorious Lord, Jesus Christ. Our Indian partners have been hard at work preparing hearts with God’s truth. We arrive to help reap the harvest. I know that you love the Lord with all your heart and long for people to come to Christ. Please join us in India – January 16-31, 2012.

Airfare is growing more reasonable all the time. I can fly round-trip from Dallas for less than \$1400. An investment for the entire evangelistic trip should fall in the range of \$3500.

Please pray about your involvement. I invite your questions. *I await your call or e-mail. The harvest is plentiful, the workers are ... ?*

For Jesus’ sake,
